PROFESSIONAL SUMMARY

Full-Stack Developer with hands-on experience in React.js, Node.js, HTML, CSS, JavaScript, and database management. Proven ability to build responsive web applications and e-commerce platforms. Seeking opportunities to contribute to scalable web application development and deliver innovative solutions in a dynamic technology environment.

EDUCATION

Bachelor of Technology in Computer Science and Engineering

College of Technology and Engineering (CTAE), Udaipur

Expected Graduation: 2026 | CGPA: 7.68/10.0

Senior Secondary Education (12th Grade)

Bhartiya Senior Secondary School, Sikar, Rajasthan

Year: 2020 | Score: 74.60%

Secondary Education (10th Grade)

Adarsha Vidyalaya (K.P.E.S), Maharashtra Board

Year: 2018 | Score: 82.00%

TECHNICAL SKILLS

Programming Languages: C, C++, Java, Python, JavaScript

Web Development: HTML5, CSS3, JavaScript, React.js, Bootstrap, REST API

Database Management: MySQL, MongoDB, DBMS

Tools & Technologies: Git, GitHub, Node.js, Ubuntu OS, VS Code

Data Structures & Algorithms: Problem-solving (Easy to Moderate level)

Soft Skills: Team Collaboration, Communication, Critical Thinking, Leadership

PROFESSIONAL EXPERIENCE

Web Development Training | Internshala

June 2024 - July 2024

- Completed 8-week intensive training covering HTML, CSS, Bootstrap, JavaScript, React.js, and DBMS
- Developed multiple web applications integrating front-end and back-end technologies
- Implemented AI features in web development projects

Job Preparation Training | Internshala

August 2024 - September 2024

- Completed 4-week professional development program focused on job search strategies
- Enhanced resume writing, interview preparation, and professional communication skills

Full Stack Development Training | CodeTech

June 2024 - July 2024

- Gained hands-on experience in full-stack web development
- Built end-to-end web applications using modern frameworks and technologies

PROJECTS

Full Stack E-commerce Website

Technologies: React.js, Node.js, MongoDB, REST API

- Developed a complete e-commerce platform with user authentication and product management
- Implemented shopping cart functionality and payment gateway integration
- Created responsive UI using React.js and managed state efficiently

NewsApp - Real-time News Application

Technologies: React.js, News API, JavaScript

- Built a dynamic news application fetching real-time data from external News API
- Implemented category-based news filtering and search functionality
- Designed responsive interface for optimal user experience across devices

PG-Life - Property Listing Platform

Technologies: HTML, CSS, JavaScript, React.js, MySQL

- Created a full-stack web application for PG accommodation listings
- Integrated database for property management and user queries
- Implemented search and filter features for property discovery

TextUtils - Text Manipulation Tool

Technologies: React.js, JavaScript

- Developed a utility application for text formatting and analysis
- Implemented features for case conversion, word count, and text cleaning

Netflix Clone

Technologies: HTML, CSS

- Replicated Netflix landing page with responsive design
- Focused on UI/UX principles and modern CSS techniques

Tile Breaker Game

Technologies: Python

- Collaborated in a team to develop an interactive game as part of academic project
- Implemented game logic and user interface using Python

CERTIFICATIONS

- Web Development Certification - Internshala (2024)
- Internship and Job Preparation Certification - Internshala (2024)
- Full Stack Development Certification - CodeTech (2024)

ACHIEVEMENTS & ACTIVITIES

- **Runner-Up** - Quiz Competition (College Level)
- **Member** - Robotics Club with active participation in technical events

- **Hackathon Participant** - Team member in college hackathons (2023, 2024)
- **Participant** - Robo (Rover) Race Competition

ADDITIONAL INFORMATION

- Strong foundation in Object-Oriented Programming (OOP) concepts
- Experience with version control using Git and GitHub
- Familiar with Agile development methodologies
- Continuous learner with passion for emerging technologies
